### Space and Naval Warfare Systems Command Awards Contract

SAN DIEGO — Harris Corporation (RF Communications) of Rochester, New York, is being awarded a firm-fixed-price contract for \$1,199,826 to provide 51 MANPACK Field Radios for Navy SEAL operations. The MANPACK Radio is a portable radio capable of satellite communications. This contract contains one base year for delivery of 51 radios, and four one-year option periods, for a maximum of 50 radios per year. If all options are exercised, the total cumulative value of the contract will be \$6,621,826. Fifty-one radios will be delivered at a rate of 20 per month beginning 90 days following contract award. The funds used for award of the 51 radios in calendar year 1999 are 1999 OPN funds. Work will be performed in Rochester, NY. This contract was posted under full and open competition on the SPAWAR Business Opportunity Internet Home Page with two offers being received by closing time. The Space and Naval Warfare Systems Command is the contracting activity (N00039-00-C-3203).
